

The Westview Leadership Society

The Westview Leadership Society consists of donors who give at least \$1,000 or more and play an essential role in ensuring that Westview can continue to provide an education that not only supports our students' social, emotional, and academic needs but helps them reach their full potential. Membership is based on combined gifts to all fundraisers, such as The Westview Fund and annual Fundraising Luncheon, plus gifts of stock or company match. We want to show our gratitude for all the ways our supporters choose to give to Westview. Members of the Westview Leadership Society receive special recognition and are also invited to attend special events and serve as ambassadors for the school. Additional benefits, such as naming rights, may apply at certain levels.

THE WESTVIEW FUND
our time to shine 2023

Dear Friends of The Westview School,

As we start our 43rd year, we can't help but look back in awe at the incredible support and love you have shown our wonderful little school through the years. From the early days in Jane Stewart's cozy little home to today's beautiful modern campus, the thousands of amazing children who have walked through these doors have made Westview the caring, inclusive school we are.

Our theme for the year is "Our Time to Shine." It is a time to shine a positive light for a child with autism in Houston, to nurture their brilliance, fuel bright futures, and build a radiant community. It is a time to create a brighter future and empower these extraordinary children to achieve their dreams.

The Westview Fund is the backbone of the Westview School's fundraising efforts. With your support of The Westview Fund, you ensure that Westview can continue to provide our students with the best faculty, world-class facilities, and modern technology, supporting the whole child in a nurturing and supportive environment.

Thank you for your ongoing support and generosity. Together, we can light the pathway to success for so many more children with autism in Houston.

With gratitude,

Bevan Koch, Ed.D.
Head of School

WHY SUPPORT THE WESTVIEW FUND

The Westview Fund is our key fundraising program that provides an opportunity for parents, alumni, grandparents, parents of alumni, faculty, and staff to secure the continued quality of a Westview School education.

The Westview Fund benefits every facet of The Westview School's operation, from professional development to financial aid, technology, and the arts and music programs. Most importantly, your support directly impacts the lives of these exceptional children by:

NURTURING BRILLIANCE

empower their shine

You can enhance our specialized programs, ensuring that each child receives individualized attention and access to cutting-edge resources.

By investing in their education, you provide them with essential skills, promote social development, and help them gain confidence in their abilities.

ILLUMINATING PATHWAYS

fueling bright futures

You can help provide scholarships to families who face financial barriers to accessing the specialized education their child deserves. With your support, we can make significant strides to assist these families and provide the education they need to reach their full potential.

SHINING TOGETHER

building a radiant community

You become an integral part of a compassionate community dedicated to the well-being of these children. Your gift today sends a clear and positive message to our community that our parents, alumni, parents of alumni, grandparents, staff, and friends are committed to Westview's success and future.

It is a privilege to be part of the Westview community. You help make our unique school the best in Houston through your generosity.

Thank you for your continued support of The Westview Fund.
